

KAISER PERMANENTE®

Kaiser Permanente Northern California

Kaiser Oakland is pleased to announce the inaugural **Medical Student Diversity Scholarships**.

To promote our medical center's mission to enhance diversity and to help defray the costs of housing, airfare, and other expenses which can make away rotations prohibitive, Kaiser Oakland is offering scholarships of up to **\$2,000** to senior medical students wishing to pursue fourth-year rotations in Internal Medicine at our medical center. Recipients will be selected based on their record of promoting diversity and inclusion.

Please direct any students who might be suitable candidates to:
